If there are fewer than three Directors, one Director shall retire from office.
- 95.2 Any Director appointed pursuant to Article 91 shall retire at the first annual general meeting of the Company following his appointment and shall not be taken into account in determining the number of Directors who are to retire by rotation at that meeting.

- 95.3 At each annual general meeting, any Director who was elected or last re-elected at or before the annual general meeting held in the third calendar year before the current year shall retire by rotation.
- 95.4 If the number of Directors retiring pursuant to Article 95.3 is less than the minimum number of Directors who are required by these Articles to retire by rotation, additional Directors up to that number shall retire. The Directors to retire under this Article 95.4 shall, first, be those Directors who are subject to rotation but who wish to retire and not offer themselves for re-election and, secondly those Directors who have been Directors longest since their appointment or last re-appointment. If there are Directors who were appointed or last re-appointed on the same date, the Director to retire shall, in default of agreement between them, be determined by lot. The Directors to retire on each occasion (both as to number and identity) shall be determined by the composition of the Board at the start of business on the date of the notice convening the annual general meeting notwithstanding any change in the number or identity of the Directors after that time but before the close of the meeting.
- 95.5 Any Director who would not otherwise be required to retire shall also retire if he has been with the Company for a continuous period of nine years or more at the date of the meeting and shall not be taken into account when deciding which and how many Directors should retire by rotation at the annual general meeting."

Notes:

These notes should be read in conjunction with the notes on the Form of Proxy.

- (i) Only shareholders on the Register of Members (the "**Register**") at 6.00 p.m. on 20 April 2018 (or, in the event of any adjournment, the date which is two days before the time of the adjourned meeting) are entitled to attend and/or vote at the Annual General Meeting ("**AGM**"). Such shareholders can vote in respect of the number of shares registered in their names at that time, but any subsequent changes to the Register shall be disregarded in determining rights to attend and vote.
- (ii) Shareholders have the right to attend, speak and vote at the AGM and will be asked to sign an attendance sheet on arrival at the meeting.
- (iii) A member entitled to attend and vote at the AGM is entitled to appoint one or more proxies to exercise all or any of the rights of the member to attend and speak and vote in his place. A proxy need not be a member of the Company. If a member appoints more than one proxy to attend the AGM, each proxy must be appointed to exercise the rights attached to a different share or shares held by the member.
- (iv) To appoint a proxy you may use the Form of Proxy enclosed with this Notice of AGM. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be completed and returned in accordance with the instructions printed thereon to Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, or delivered by hand during office hours only to the same address to be received as soon as possible and in any event by not later than 10.00 a.m. on 20 April 2018. Alternatively, you can vote or appoint a proxy electronically by visiting www.investorcentre.co.uk/eproxy. You will be asked to enter the Control Number, the Shareholder Reference Number and PIN which are printed on the Form of Proxy. The latest time for the submission of proxy votes electronically is 10.00 a.m. on 20 April 2018.
- (v) Completion of the Form of Proxy will not prevent you from attending and voting in person.
- (vi) Any person receiving a copy of this Notice of AGM as a person nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a "**Nominated Person**") should note that the provisions in Notes (i) to (iii) above concerning the appointment of a proxy or proxies to attend the AGM in place of a member, do not apply to a Nominated Person as only shareholders have the right to appoint a proxy. However, a Nominated Person may have a right under an agreement between the Nominated Person and the member by whom he or she was nominated to be appointed, or to have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member as to the exercise of voting rights at the AGM.
- (vii) Nominated Persons should also remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or perhaps the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Nominated Person's personal details and interest in the Company (including any administrative matter). The only exception to this is where the Company expressly requests a response from a Nominated Person.
- (viii) Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders registered in the Register by not later than 6.00 p.m. 48 hours (excluding non-business days) prior to the time fixed for the AGM shall be entitled to attend and vote at the AGM in respect of the number of Shares registered in their name at such time. If the AGM is adjourned, the time by which a person must be entered on the Register in order to have the right to attend and vote at the adjourned AGM is 6.00 p.m. 48 hours (excluding non-business days) prior to the time of the adjournment. Changes to the Register after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the AGM.
- (ix) In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

- (x) Shareholders who hold their Shares electronically may submit their votes through CREST, by submitting the appropriate and authenticated CREST message so as to be received by the Company's registrar not later than 48 hours before the start of the meeting. Instructions on how to vote through CREST can be found by accessing the following website: www.euroclear.com/CREST. Shareholders are advised that CREST and the internet are the only methods by which completed proxies can be submitted electronically.
- (xi) If you are a CREST system user (including a CREST personal member) you can appoint one or more proxies or give an instruction to a proxy by having an appropriate CREST message transmitted. To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by Computershare (ID number 3RA50) not later than 48 hours before the time appointed for holding the AGM excluding non-working days. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which Computershare is able to retrieve the message. CREST personal members or other CREST sponsored members should contact their CREST sponsor for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings please refer to the CREST Manual. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- (xii) Any corporation which is a member may appoint one or more corporate representative(s) who may exercise on its behalf all of its powers as a member provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same shares. It is, therefore, no longer necessary to nominate a designated corporate representative. Representatives should bring to the AGM evidence of their appointment, including any authority under which it is signed.
- (xiii) If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he/she has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3 per cent or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.
- (xiv) Any question relevant to the business of the AGM may be asked at the AGM by anyone permitted to speak at the AGM. A holder of shares may alternatively submit a question in advance by a letter addressed to the Company's registered office. Under section 319A of the Companies Act 2006, the Company must answer any question a shareholder asks relating to the business being dealt with at the AGM, unless, (i) answering the question would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (ii) the answer had already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
- (xv) Under section 527 of the Act, a shareholder or shareholders meeting the criteria set out in note (xvi) below, have the right to request the Company to publish on its website a statement setting out any matter that such shareholders propose to raise at the AGM relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM. Where the Company is required to publish such a statement on its website: (i) it may not require the shareholder making the request to pay any expense incurred by the Company in complying with the request; (ii) it must forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website; and (iii) that statement may be dealt with as part of the business of the AGM. The request: (a) may be in hard copy form or in electronic form; (b) either set out the statement in full or, if supporting a statement sent by another shareholder, clearly identify the statement which is being supported; (c) must be authenticated by the person or persons making it; and (d) be received by the Company at least one week before the AGM.
- (xvi) In order to be able to exercise the shareholders' right to require the Company to publish audit concerns in accordance with note (xv) above, the relevant request must be made by: (i) a shareholder or shareholders having a right to vote at the AGM and holding at least 5 per cent. of total voting rights in the Company (please see note xix below in relation to total voting rights); or (ii) at least 100 shareholders having a right to vote at the AGM and holding, on average, at least £100 of paid up share capital.
- (xvii) Where a shareholder or shareholders wishes to request the Company to publish audit concerns in accordance with note (xv) above, such request must be made by either sending: (a) a hard copy request which is signed by the relevant shareholder or shareholders, states such persons full name(s) and address(es) and sent to the Company Secretary, Swan House, 17-19 Stratford Place, London, W1C 1BQ; or (b) a request which states the shareholder or shareholders' full name and address(es), and sent by email to enquiries@fim.co.im. Please state "Empiric AGM" in the subject line of the e-mail.
- (xviii) Further information regarding the AGM which the Company is required by section 311A of the Act to publish on a website in advance of the AGM can be accessed at www.empiric.co.uk.
- (xix) As at 22 March 2018 (being the last Business Day prior to the printing of this Notice of AGM) the Company's issued share capital consisted of 602,887,740 shares carrying one vote each. Therefore, the total voting rights in the Company as at 22 March 2018 are 602,887,740.
- (xx) You may not use any electronic address provided either in this Notice of AGM or any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.
- (xxi) A copy of the executive director's service agreements and the letters of appointment of the non-executive directors will be available for inspection during normal business hours at the Company's registered office and at the place of the meeting from at least 15 minutes prior to the meeting until the end of the meeting.
- (xxii) A copy of this notice, and other information required by section 311A of the Companies Act 2006 can be found at www.empiric.co.uk.

Notice of Annual General Meeting ("AGM")

Explanatory Notes

Resolutions 1 to 10 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 11 to 15 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 (Annual Report and Accounts)

The Directors of the Company must present to the meeting the audited Annual Report and Accounts.

Resolution 2 (Directors' Remuneration Report)

This resolution is an ordinary resolution to approve the Directors' Remuneration Report which is set out on pages 53 to 62 of the Annual Report. The vote on this resolution is advisory only and the Directors' entitlement to remuneration is not conditional on it being passed.

Resolutions 3 and 4 (Appointment and Remuneration of Auditors)

The Company must appoint Auditors at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting. Resolution 3 seeks shareholder approval to re-appoint BDO LLP as the Company's Auditors. In accordance with normal practice, Resolution 4 seeks authority for the Directors to determine the Auditors' remuneration.

Resolution 5 (Dividend Policy)

The Company currently pays four dividends per annum and to date these have been approved as "interim" dividends. The alternative to this would be to declare three interim dividends with the final dividend being proposed as a "final" dividend. A final dividend however would require shareholder approval which would delay the payment. To avoid this potential delay, the Company will propose a dividend policy, annually, that enables the Company to pay all of its dividends as "interim" dividends and for the last dividend not to be categorised as a "final" dividend that is subject to shareholder approval.

Resolutions 6, 7, 8 and 9 (Re-election of Directors)

The Company's Articles of Association require that Timothy Attlee, Lynne Fennah, Stephen Alston and Jim Prower stand for re-election this year as they were either due to retire by rotation in accordance with the Articles of Association or were appointed by the Board. The Board is satisfied that all of the Non-Executive Directors standing for re-election are independent in character and judgement and there are no relationships or circumstances which are likely to affect their character or judgement.

Biographies for all of the Directors are set out on pages 40 to 41 of the Annual Report and Accounts. The Board is satisfied that each of the Directors standing for election or re-election continues to perform effectively and demonstrates commitment to their respective role.

Resolution 10 (Authority to Allot Shares)

The purpose of this resolution is to renew the authority for the Directors to allot shares in the Company and grant rights to subscribe for or convert any security into shares in the Company up to a further aggregate nominal value of £1,989,530 in connection with a rights issue. This amount represents approximately 33 per cent of the ordinary share capital of the Company in issue (excluding treasury shares) at 22 March 2018 (being the last practicable date prior to the publication of this notice). The Company currently holds no shares in treasury.

The Directors' authority will expire on the earlier of 15 months from the AGM or at the conclusion of the next AGM. The Directors have no present intention to make use of the authority sought under this resolution, but they consider it desirable to have the maximum flexibility permitted by corporate governance guidelines.

Resolutions 11 and 12 (Disapplication of Pre-emption Rights)

Resolutions 11 and 12 give the Board authority to allot shares for cash without first offering them to existing shareholders in proportion to their existing holdings.

The powers under Resolutions 11 and 12 would be, similar to previous years, limited to (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary, or (b) otherwise up to a nominal amount of £301,444. This nominal amount represents approximately 5 per cent. of the issued ordinary share capital as at 22 March 2018 (being the latest practicable date prior to publication of this notice).

In respect of the authorities under Resolutions 11 and 12, the Board confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authority within a rolling three-year period where the Principles provide that usage in excess of 7.5 per cent. of issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to below.

The powers under Resolution 12 would also be limited to allotments up to a nominal amount of £301,444 in connection with an acquisition or specified capital investment (within the meaning given in the Pre-Emption Group's Statement of Principles). This nominal amount represents approximately 5 per cent. of the issued ordinary share capital of the Company as at 22 March 2018, the latest practicable date prior to publication of this Notice. In respect of the authority under Resolution 12, the Board confirms that it will only allot shares pursuant to this authority where the acquisition or specified capital investment is announced contemporaneously with the allotment, or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authorities under Resolutions 11 and 12 will expire on the earlier of 15 months from the AGM or at the conclusion of the next AGM. Ordinary shares will only be issued pursuant to these authorities at a premium to the prevailing net asset value per share at the time of issue in order to take account of the costs of such issue and will therefore be non-dilutive to the prevailing net asset value per share for existing shareholders. The Directors believe that it is appropriate to seek an additional 5 per cent. authority in Resolution 12 to give the Company additional flexibility to finance investment opportunities.

Resolution 13 (Authority for market purchases of own shares)

This Resolution renews the Company's current authority to make limited market purchases of the Company's shares. The authority is limited to a maximum aggregate number of 60,288,774 shares (representing 10 per cent. of the issued share capital as at 22 March 2018 (being the latest practicable date prior to publication of this notice)) and sets out the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this Resolution will expire at the conclusion of the Company's next AGM or 15 months from the passing of the Resolution, whichever is the earlier. Any purchases of shares would be made by means of market purchase through the London Stock Exchange. In accordance with standard practice it is the current intention of the Board to seek to renew these authorities on an annual basis.

The Directors intend exercising the authority to purchase shares only if, in their opinion, the expected effect would be to result in an increase in net asset value per share and would benefit shareholders generally. Any shares purchased by the Company under this authority may be cancelled or held in treasury in accordance with the Act at the option of the Board.

As at 22 March 2018 (being the latest practicable date prior to the publication of this notice), the total number of shares under option that were outstanding under all of the Company's share option plans was 1,477,817 representing 0.2% per cent. of the Company's issued share capital at that date. This number of outstanding shares under option could potentially represent 0.2% per cent. of the issued share capital of the Company if the Company were to purchase its own shares to the fullest possible extent of its authority from shareholders (both existing and being sought).

Resolution 14 (General meeting notice period)

The Act provides that the notice period required for general meetings of the Company must be at least 21 clear days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days (annual general meetings will continue to be held on at least 21 clear days' notice). This resolution seeks shareholder approval to hold general meetings after giving notice of 14 or more clear days. The approval will be effective until the next AGM, when it is intended that a similar resolution will be proposed.

The Act provides that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Resolution 15 (Amendment to Articles of Association)

The Company's Articles of Association currently state that each Director shall retire from office at the third annual general meeting following the annual general meeting or general meeting (as the case may be) at which he or she was previously appointed or re-elected. As a number of the current board members were appointed at the time the Company was launched, this means that several Directors are required to stand for re-election by rotation at the same time.

The Directors consider it in the Company's best interests and to be in accordance with best practice according to the UK Corporate Governance Code to replace this Article in order to ensure there is retirement by rotation of one third of the Board of Directors annually.
