Notice of AGM

I am pleased to be writing to you with details of our 2022 Annual General Meeting ("AGM") which will be held at the offices of Maitland/AMO, 3 Pancras Square, London, N1C 4AG on 23 May 2022 commencing at 10.00 a.m.. The formal notice of the AGM is set out on pages 3 to 4 of this document.

The purpose of this letter is to explain certain elements of the business to be considered at the meeting.

If you would like to vote on the Resolutions, please fill in the enclosed proxy form and return it to our registrars as soon as possible. The registrars must receive your proxy appointment by 10.00 a.m. on 19 May 2022.

Resolution 1 - To receive the Annual Report and Accounts

The Board will present the Annual Report and Accounts for the year ended 31 December 2021 (together with the reports of the Directors and auditors) (the "Annual Report") to the AGM.

Resolution 2 - Approval of the Directors' Remuneration Report

This resolution is to approve the Directors' Remuneration Report which is set out on pages 68 to 77 of the Annual Report. Section 439 of the Companies Act 2006 (the "Act") requires that the Directors' Remuneration Report for the financial year be put to a vote of shareholders at the AGM. This vote is advisory and the Directors' entitlement to receive remuneration is not conditional on it.

Resolutions 3 and 4 - Re-appointment of the auditors and authority for the Directors to determine their remuneration

The Company must appoint auditors at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting. Resolution 3 seeks shareholder approval to re-appoint BDO LLP as the Company's auditors. In accordance with normal practice, Resolution 4 seeks authority for the Directors to determine the auditors' remuneration.

Resolution 5 - Approval of dividend policy

The Company has historically paid four dividends per annum and to date these have been approved as "interim" dividends. The alternative to this would be to declare three interim dividends with the final dividend being proposed as a "final" dividend. A final dividend however would require shareholder approval which would delay the payment. To avoid this potential delay, the Company will propose a dividend policy, annually, that enables the Company to pay all of its dividends as "interim" dividends and for the last dividend not to be categorised as a "final" dividend that is subject to shareholder approval.

Resolutions 6, 7, 8, 9 and 10 - Reappointment of Directors

A Director who is appointed to the Board is required to be elected by shareholders at the next AGM following the date of their appointment. Martin Ratchford was appointed by the Board since the date of the last AGM and will therefore be proposed for election at the AGM.

In line with best practice, the Directors have adopted a policy of annual reappointment for all Directors who wish to be appointed at the AGM.

Consequently, Mark Pain, Alice Avis, Lynne Fennah and Duncan Garrood will each stand for reappointment at the AGM.

Biographies for all of the Directors are set out on pages 54 and 55 of the Annual Report.

Subject to the above, the Board is satisfied that each of the Directors standing for re-election continues to perform effectively and demonstrates commitment to their respective role.

Resolution 11 - Authority to allot shares (up to a maximum of one-third of the Company's issued share capital)

This Resolution would give the Directors the authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to £2,010,676 (representing 201,067,690 ordinary shares of 1 penny each). This amount represents approximately one-third of the issued ordinary share capital of the Company as at 24 March 2022 (being the latest practicable date prior to publication of this document).

The authority sought under this Resolution will expire at the earlier of 15 months from the AGM and the conclusion of the annual general meeting of the Company held in 2023.

The Directors have no present intention to exercise the authority sought under this Resolution, except that they intend to satisfy options and awards under the Company's option and incentive schemes. The Board wishes to ensure that the Company has maximum flexibility in managing the Company's capital resources.

As at the date of this document, no ordinary shares are held by the Company in treasury and so the references to the Company's share capital above do not include any treasury shares.

Resolutions 12 and 13 – Disapplication of pre-emption rights

Resolutions 12 and 13 give the Board authority to allot shares for cash without first offering them to existing shareholders in proportion to their existing holdings.

The powers under Resolutions 12 and 13 would be, similar to previous years, limited to, (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary, or (b) otherwise up to a nominal amount of £301,601. This nominal amount represents approximately 5 per cent. of the issued ordinary share capital as at 24 March 2022 (being the latest practicable date prior to publication of this document).

In respect of the authorities under Resolutions 12 and 13, the Board confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authority within a rolling three-year period where the Principles provide that usage in excess of 7.5 per cent. of issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to below.

The powers under Resolution 12 would also be limited to allotments up to a nominal amount of £301,601 in connection with an acquisition or specified capital investment (within the meaning given in the Pre-Emption Group's Statement of Principles). This nominal amount represents approximately 5 per cent. of the issued ordinary share capital of the Company as at 24 March 2022 (being the latest practicable date prior to publication of this document). In respect of the additional 5 per cent. authority sought under Resolution 12, the Board confirms that it will only allot shares pursuant to this authority where the acquisition or specified capital investment is announced contemporaneously with the allotment or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authorities under Resolutions 12 and 13 will expire on the earlier of 15 months from the AGM or at the conclusion of the next AGM. The Directors believe that it is appropriate to seek an additional 5 per cent. authority in Resolution 13 to give the Company additional flexibility to finance investment opportunities.

Resolution 14 - Authorisation for the Company to purchase its own shares

This Resolution renews the Company's current authority to make limited market purchases of the Company's shares. The authority is limited to a maximum aggregate number of 60,320,307 shares (representing 10 per cent. of the issued share capital as at 24 March 2022 (being the latest practicable date prior to publication of this document)) and sets out the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this Resolution will expire at the conclusion of the Company's next AGM or 15 months from the passing of the Resolution, whichever is the earlier. Any purchases of shares would be made by means of market purchase through the London Stock Exchange. In accordance with standard practice it is the current intention of the Board to seek to renew this authority on an annual basis.

The Directors intend exercising the authority to purchase shares only if, in their opinion, the expected effect would be to result in an increase in net asset value per share and would benefit shareholders generally. Any shares purchased by the Company under this authority may be cancelled or held in treasury in accordance with the Act at the option of the Board.

As at 24 March (being the latest practicable date prior to the publication of this document), the total number of shares under option that were outstanding under all of the Company's share option plans was 5,338,161 representing 0.9 per cent. of the Company's issued share capital at that date. This number of outstanding shares under option could potentially represent 0.9 per cent. of the issued share capital of the Company if the Company were to purchase its own shares to the fullest possible extent of its authority from shareholders (both existing and being sought).

Resolution 15 - General meeting notice period

The Act provides that the notice period required for general meetings of the Company must be at least 21 clear days' unless shareholders approve a shorter notice period, which cannot be less than 14 clear days (annual general meetings will continue to be held on at least 21 clear days' notice). This resolution seeks shareholder approval to hold general meetings after giving notice of 14 or more clear days. The approval will be effective until the next AGM, when it is intended that a similar resolution will be proposed.

The Act provides that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Recommendation

The Board considers that all the Resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. The Board therefore recommends that you vote in favour of the Resolutions and Board members intend to do so in respect of their own beneficial holdings.

Yours sincerely

Mark Pain
Chairman

Empiric Student Property plc

Alternatively, shareholders can contact the Company's Registrar, Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY for updated information.

2 Voting record date

Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders on the Register of Members (the "Register") at 6.00 p.m. on 19 May 2022 (or, in the event of any adjournment, the date which is two days before the time of the adjourned meeting) are entitled to attend and/or vote at the AGM. Changes to entries on the Register of Members after 6.00 p.m. on 19 May 2022 shall be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting. If the Annual General Meeting is adjourned for no more than 48 hours after the original time, the same voting record date will also apply for the purpose of determining the entitlement of members to attend and vote (subject to UK Government restrictions) at the adjourned meeting. If the Annual General Meeting is adjourned for more than 48 hours, then the voting record date will be the close of business on the day which is two days (excluding non-working days) before the day of the adjourned meeting or, if the Company gives notice of the adjourned meeting, at any time specified in that notice.

In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

3 Rights to attend and vote

Shareholders have the right to attend, speak and vote at the AGM and will be asked to sign an attendance sheet on arrival at the meeting.

4 Rights to appoint proxies

Pursuant to Section 324 of the Companies Act 2006 (the "Act"), a member entitled to attend and vote at the Annual General Meeting may appoint more than one proxy (subject to UK Government restrictions), provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company. The appointment of a proxy will not preclude a shareholder from attending and voting in person at the Annual General Meeting (subject to UK Government restrictions) or at any adjournment thereof. If you have appointed a proxy and attend the AGM in person, your proxy appointment will automatically be terminated.

5 Appointment, receipt and termination of proxies

To appoint a proxy you may:

- (a) use the proxy appointment enclosed with this Notice of AGM.
- (b) visit www.investorcentre.co.uk/eproxy as per below
- (c) in the case of CREST members, appoint a proxy via CREST (see note 6)

To be valid, the proxy appointment, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be completed and returned in accordance with the instructions printed thereon to Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, or delivered by hand during office hours only to the same address to be received as soon as possible and in any event by not later than 10.00 a.m. on 19 May 2022.

Alternatively, you can vote or appoint a proxy electronically by visiting www.investorcentre.co.uk/eproxy. You will be asked to enter the Control Number, the Shareholder Reference Number and PIN which are printed on the proxy appointment. The latest time for the submission of proxy votes electronically is 10.00 a.m. 19 May 2022.

6 Electronic receipt of proxies

Shareholders who hold their shares electronically may submit their votes through CREST, by submitting the appropriate and authenticated CREST message so as to be received by the Company's registrar not later than 48 hours before the start of the meeting. Instructions on how to vote through CREST can be found by accessing the following website: www.euroclear.com/CREST. Shareholders are advised that CREST and the internet are the only methods by which completed proxies can be submitted electronically.

If you are a CREST system user (including a CREST personal member) you can appoint one or more proxies or give an instruction to a proxy by having an appropriate CREST message transmitted. To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by Computershare (ID number 3RA50) not later than 48 hours before the time appointed for holding the AGM excluding non-working days. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which Computershare is able to retrieve the message. CREST personal members or other CREST sponsored members should contact their CREST sponsor for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings please refer to the CREST Manual. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Any corporation which is a member may appoint one or more corporate representative(s) who may exercise on its behalf all of its powers as a member provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same shares. It is, therefore, no longer necessary to nominate a designated corporate representative. Representatives should bring to the AGM evidence of their appointment, including any authority under which it is signed.

7 Nominated Persons

Any person receiving a copy of this Notice of AGM as a person nominated by a member to enjoy information rights under section 146 of the Act (a "Nominated Person") should note that the notes concerning the appointment of a proxy or proxies to attend the AGM in place of a member, do not apply to a Nominated Person as only shareholders have the right to appoint a proxy. However, a Nominated Person may have a right under an agreement between the Nominated Person and the member by whom he or she was nominated to be appointed, or to have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member as to the exercise of voting rights at the AGM.

Nominated Persons should also remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or perhaps the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Nominated Person's personal details and interest in the Company (including any administrative matter). The only exception to this is where the Company expressly requests a response from a Nominated Person.

8 Chairman's Discretion

If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority.

As a result, any member holding 3 per cent or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.

9 Questions at the Meeting

Any question relevant to the business of the AGM may be asked at the AGM by anyone permitted to speak at the AGM. A holder of shares may alternatively submit a question in advance by a letter addressed to the Company's registered office. Under section 319A of the Act, the Company must answer any question a shareholder asks relating to the business being dealt with at the AGM, unless, (i) answering the question would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (ii) the answer had already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

10 Members' power to require website publication of audit concerns

In order to be able to exercise the shareholders' right to require the Company to publish audit concerns, the relevant request must be made by: (i) a shareholder or shareholders having a right to vote at the AGM and holding at least 5 per cent. of total voting rights in the Company (please see note 14 below in relation to total voting rights); or (ii) at least 100 shareholders having a right to vote at the AGM and holding, on average, at least £100 of paid up share capital.

Under section 527 of the Act, a shareholder or shareholders meeting the above criteria have the right to request the Company to publish on its website a statement setting out any matter that such shareholders propose to raise at the AGM relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are laid before the Meeting.

Where the Company is required to publish such a statement on its website: (i) it may not require the shareholder making the request to pay any expense incurred by the Company in complying with the request; (ii) it must forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website; and (iii) that statement may be dealt with as part of the business of the AGM. The request: (a) may be in hard copy form or in electronic form; (b) either set out the statement in full or, if supporting a statement sent by another shareholder, clearly identify the statement which is being supported; (c) must be authenticated by the person or persons making it; and (d) be received by the Company at least one week before the AGM.

Where a shareholder or shareholders wishes to request the Company to publish audit concerns in accordance with note (xiv) above, such request must be made by either sending: (a) a hard copy request which is signed by the relevant shareholder or shareholders, states such persons full name(s) and address(es) and sent to the Company Secretary, Bastion House 6th Floor 140 London Wall London EC2Y 5DN; or (b) a request which states the shareholder or shareholders' full name and address(es), and sent by email to ukfundscosec@apexfs.com. Please state "Empiric AGM" in the subject line of the email.

11 Communication

You may not use any electronic address provided either in this Notice of AGM or any related documents (including the proxy appointment) to communicate with the Company for any purpose other than those expressly stated.

12 Director's Service Agreements

A copy of the executive director's service agreements and the letters of appointment of the non-executive directors will be available for inspection during normal business hours at the Company's registered office and at the place of the meeting from at least 15 minutes prior to the meeting until the end of the meeting.

13 Website

A copy of this notice, and other information regarding the AGM which the Company is required by section 311A of the Act to publish on a website in advance of the AGM can be accessed at www.empiric.co.uk.

14 Total Voting Rights

As at 24 March 2022 (being the last Business Day prior to the printing of this Notice of AGM) the Company's issued share capital consisted of 603,303,070 Ordinary shares carrying one vote each. Therefore, the total voting rights in the Company as at 24 March 2022 are 603,303,070.
